Dear Mr Bunzl,

Thank you very kindly for your letter and glad to learn you enjoyed "Radio Onederland". It was very kind of you to write.

I did in fact write "Pop Went The P. rates" but, alas, it never got published. Perhaps it will eventually come out when there is either a change of Government, or at the introduction of commercial radio. We shall have to wait and see.

Talking about Grove Park...which we weren't... (you were in your letter) I did used to live in Balder Rise, but left last March. I now live a little nearer the studios - Kensington.

Thanks again for writing, and a very Happy 1969 to you.

Yours sincerely,

KEITH SKUES
